An order prohibiting sale or movement is issued by the Department when there is reasonable cause to believe that a product or products violate state law. The Department is authorized to issue this Order under the statutory authority checked above and provided on the back of this form. This Order will remain in effect until you are notified by the Department.							
Any person adversely affected by this Order may request a hearing to review this Order within 10 days after service of the Order by mailing or faxing a written request to the Director of the Bureau of Agrichemical Management using the Department's address or fax number at the top of this form. Please include your reasons for contesting the Order. A request for hearing does not postpone, stay or modify the requirement to comply with this Order.
