Wisconsin continues to battle the workforce paradox – high unemployment, yet employers desperately seeking qualified workers. The WMC Foundation, in partnership with the Wisconsin Technical College System and all 16 Technical Colleges, is proud to highlight current workplace solutions and an early preview of a new initiative to establish a 20-year strategic plan for the state called – Future Wisconsin.

In It For The Long Run: Future Wisconsin

WMC Foundation President Jim Morgan will offer an early, inside look at the business community's 20-year strategic economic vision for Wisconsin. What are Wisconsin's strengths? What are the state's barriers? What should our priorities be to ensure long-term economic success? Where does talent attraction and retention fit in?

Taking It Local: Current Workforce Solutions

Local business and educational leaders will offer current initiatives with the K-12 system, college programming, and customized business solutions.
