SUBJECT: Comparison of School District General Aid with Choice Payment

At your request, I am providing you with information comparing school district general aid payments per pupil with the maximum payment amount per pupil under the Milwaukee and Racine parental choice programs.

The attachment to this memorandum shows the total general school aid payment for each school district in 2012-13. This figure includes all general aid programs (equalization, integration, special adjustment, and high poverty aid) net of all required adjustments, and uses pupil membership from the 2012-13 aid calculation. The attachment also shows the difference between each district's general aid payment per pupil and the maximum per pupil payment under the Milwaukee and Racine parental choice programs, which is \$6,442 per pupil in 2012-13.

I hope this information is helpful. Please contact me if you have any questions.
