## Rep. Nygren's Statement on Casino Rejection

**Madison** – State Representative John Nygren (R-Marinette) released the following statement regarding Governor Walker's decision to veto the Kenosha casino proposal:

"I agree with the Governor's decision to decline the Kenosha Hard Rock casino proposal. The safety and well-being of Wisconsin taxpayers must remain our top priority, and approving an \$800 million casino proposal doesn't align with that priority.

"This session, we will remain focused on job creation, increasing accessibility to worker training, and continued improvements to our economy. Our reforms are working, and I'm proud of Governor Walker's decision to continue putting the taxpayers first."
