

WISCONSIN TECHNICAL COLLEGE SYSTEM

Technical College Age Eligibility

Motion:

Move to exempt an individual enrolled in a home-based private educational program from state law prohibiting an individual under the age of 16 from attending a technical college during the hours of the normal school day. Specify that this would first apply to students applying for enrollment for the first semester or session beginning after the bill's effective date.

Note:

Under current state law, a person under the age of 16 is eligible to attend a technical college if the following apply: (a) the district board agrees to admit the individual; (b) the individual is a Wisconsin resident, or a non-resident whose enrollment has been approved by the district board; (c) the individual has the written permission of his or her parent or guardian; and (d) the individual will not be attending the district school during the hours of the normal school day.
