Literacy Grant Programming
[LFB Paper #340]

Motion:

Move to create a biennial grant appropriation in the Department of Children and Families associated with literacy. Provide \$100,000 GPR in 2015-16 for the program. Specify that grant program would provide literacy grants that address general literacy, financial literacy and health care literacy. Grants could be provided by the Department to organizations in communities in the bottom 20% of the statewide average literacy rate as determined by the Department.

[Change to Bill: \$100,000 GPR]
