LEGISLATIVE AUDIT BUREAU

The Bureau is a nonpartisan legislative service agency responsible for conducting financial and program evaluation audits of state agencies. The Bureau's purpose is to provide assurance to the Legislature that financial transactions and management decisions are made effectively, efficiently, and in compliance with state law and that state agencies carry out the policies of the Legislature and the Governor. Audit Bureau reports typically contain reviews of financial transactions, analyses of agency performance or public policy issues, conclusions regarding the causes of problems found, and recommendations for improvement.

Reports are submitted to the Joint Legislative Audit Committee and made available to other committees of the Legislature and to the public. The Audit Committee may arrange public hearings on the issues identified in a report and may introduce legislation in response to the audit recommendations. However, the findings, conclusions, and recommendations in the report are those of the Legislative Audit Bureau. For more information, write the Bureau at 22 E. Mifflin Street, Suite 500, Madison, WI 53703, call (608) 266-2818, or send e-mail to leg.audit.info@legis.wisconsin.gov. Electronic copies of current reports are available on line at www.legis.wisconsin.gov/lab.

Janice Mueller
State Auditor

December 15, 2006

Senator Carol A. Roessler and
Representative Suzanne Jeskewitz, Co-chairpersons
Joint Legislative Audit Committee
State Capitol
Madison, Wisconsin 53702

Mr. David G. Walsh
President of the Board of Regents
University of Wisconsin System
Madison, Wisconsin 53706

Dear Senator Roessler, Representative Jeskewitz, and President Walsh:

We have completed a financial audit of WHA Radio, as requested by the University of Wisconsin-Extension to fulfill the audit requirements of the Corporation for Public Broadcasting. The Corporation requires audited financial statements of public broadcasting entities to determine future funding levels.

WHA Radio is licensed to the University of Wisconsin System's Board of Regents and is operated by the University of Wisconsin-Extension. WHA Radio earned \$10.0 million in revenues during fiscal year 2005-06, including state support, member contributions, funding from the Corporation for Public Broadcasting, and various other grants.

Our audit report contains the financial statements and related notes for the period July 1, 2005, through June 30, 2006. We were able to issue an unqualified independent auditor's report on these statements.

We appreciate the courtesy and cooperation extended to us by University of Wisconsin-Extension staff during the audit.

Respectfully submitted,

A handwritten signature in cursive script that reads "Janice Mueller".

Janice Mueller
State Auditor

Audit Opinion ■

Independent Auditor's Report on the Financial Statements of WHA Radio

We have audited the accompanying Balance Sheet of WHA Radio as of June 30, 2006, and the related Statement of Revenues, Expenses, and Changes in Net Assets and Statement of Cash Flows for the year then ended. These financial statements are the responsibility of the management of WHA Radio. Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of the Wisconsin Public Radio Association, Inc., of which net assets of \$967,585 are allocated to WHA Radio and are reflected in the accompanying financial data contained in Note 9. Assets and revenues of the Wisconsin Public Radio Association, Inc., included in the accompanying financial statements represent 21.7 percent of WHA Radio's total assets and 13.2 percent of WHA Radio's total revenue. The financial statements of the Wisconsin Public Radio Association, Inc., were audited by other auditors whose report thereon has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Wisconsin Public Radio Association, Inc., is based solely on the report of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The financial statements of the Wisconsin Public Radio Association, Inc., were audited by other auditors in accordance with auditing standards generally accepted in the United States of America, but not in accordance

with the additional requirements of *Government Auditing Standards*. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the report of the other auditors provide a reasonable basis for our opinion.

As discussed in Note 1, the financial statements referred to in the first paragraph present only WHA Radio and do not purport to, and do not, present fairly the financial positions of the State of Wisconsin or the University of Wisconsin System, the changes in their financial positions, and their cash flows in conformity with accounting principles generally accepted in the United States of America.

In our opinion, based upon our audit and the report of the other auditors, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of WHA Radio as of June 30, 2006, and the changes in its financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the financial statements of WHA Radio. The supplementary information included as Management's Discussion and Analysis on pages 5 through 8 is presented for purposes of additional analysis and is not a required part of the financial statements referred to in the first paragraph. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 5, 2006, on our consideration of WHA Radio's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Management's Discussion and Analysis ■

Prepared by WHA Radio Management

This section of the WHA Radio annual financial report presents management's discussion and analysis of the financial performance of WHA Radio during the fiscal year ended June 30, 2006. This discussion should be read in conjunction with the accompanying financial statements and notes. The financial statements, notes, and this discussion are the responsibility of WHA Radio management.

Using the Annual Financial Statements

WHA Radio is licensed to the University of Wisconsin System's Board of Regents and prepares its financial statements in accordance with Governmental Accounting Standards Board statements. The financial statements also include WHA Radio's allocated share of the accounts of the Wisconsin Public Radio Association, Inc. (WPRA), a not-for-profit corporation that solicits funds for WHA Radio and the Educational Communications Board (ECB).

The Balance Sheet includes all assets and liabilities. Assets and liabilities are subtotaled by current and noncurrent. Current assets will be used within one year to satisfy obligations, while current liabilities will be liquidated within one year. The difference between assets and liabilities is reported as net assets. Restricted net assets reflect unspent balances of purpose-restricted grants, contracts, and contributions. Over time, increases or decreases in net assets are indicators of changes in WHA Radio's financial health.

The Statement of Revenues, Expenses, and Changes in Net Assets presents the revenues earned and expenses incurred during the year. Activities are reported as either operating or nonoperating. WHA Radio's dependence on state general

appropriations and donated facilities and administrative support from the University of Wisconsin System will result in operating deficits because the financial reporting model classifies state general appropriations and donated services as nonoperating revenues. The use of capital assets is reflected in the financial statements as depreciation expense, which amortizes the cost of an asset over its expected useful life. Actual depreciation expense is included in the various functional expense categories.

The Statement of Cash Flows presents information related to cash inflows and outflows summarized by operating, noncapital financing, capital and related financing, and investing activities, and helps to measure the ability to meet financial obligations as they mature.

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements.

Noteworthy Financial Activity

Condensed financial information relating to WHA Radio as of and for the fiscal years ended June 30, 2006 and 2005, is shown in Table A.

Total assets increased 20 percent, while total liabilities increased 15 percent. This resulted in a 22 percent increase in total net assets. Net assets have increased for nine consecutive years, and the current-year increase is the largest percentage increase since fiscal year (FY) 1997-98. The net assets that are invested in capital assets increased \$243,000, a 64 percent increase, as high-definition digital transmitters funded by the Corporation for Public Broadcasting and the State Building Trust Fund were added in Madison and Superior. A \$300,000 anonymous gift for establishing a Program Enhancement Fund contributed to a \$334,000 increase in restricted net assets.

Current liabilities increased 22 percent, to \$1,005,000, as a result of grant payments lagging behind grant expenses. The noncurrent liabilities represent a payable for compensated absences and remained stable with a decrease of \$1,000, to \$359,000. When there is relatively low staff turnover, the compensated absence liability tends to increase as staff bank leave time for use at a later date. However, with relatively higher staff turnover in FY 2005-06, including eight resignations and three retirements, the payout of accumulated leave balances to former employees offset the typical increase in this liability.

Operating revenues increased 10 percent, to \$6,334,000. The one-time \$300,000 anonymous major gift accounts for more than one-half of the increase. Grants and contracts are the single largest source of operating revenues, at \$3,394,000 in FY 2005-06, which is a 7 percent increase. ECB was the source of \$2,822,000 of grants and contracts revenue in FY 2005-06, a 6 percent increase. ECB and WHA Radio share WPRA revenue (see Note 9; ECB's share is 76 percent) and underwriting revenue (split equally). Since FY 1999-2000, underwriting revenue has increased \$247,000 at WHA Radio, and WPRA revenue has increased \$1,633,000. ECB has used its share of the increases to provide larger grants to WHA Radio.

Capital contributions increased from \$0 to \$304,000. Capital contributions can vary significantly from year to year because they are highly dependent upon receipt of one-time funding from state and federal organizations in competition with other state and broadcast entities. State Building Trust Funds and grants from the Corporation for Public Broadcasting are currently available for digital transmission equipment, and WHA Radio will continue to seek funding for additional digital transmission equipment.

Net Cash Used for Operating Activities	<u>\$ (1,257,047)</u>

Noncash Activities:

The amount of in-kind contributions was \$2,972.

The fair value of investments increased \$15,480.

The accompanying notes are an integral part of this statement.

Notes to the Financial Statements ■

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

WHA Radio is a public telecommunications entity operated by the University of Wisconsin-Extension and consists of seven FM stations and one AM station that are licensed to the University of Wisconsin System's Board of Regents. WHA Radio's financial statements include its allocated share of the assets, liabilities, revenues, and expenses of the Wisconsin Public Radio Association, Inc. (WPRA), a not-for-profit corporation that collects funds for Wisconsin Public Radio and provides support to WHA Radio and the Educational Communications Board (ECB). All significant inter-organization accounts and transactions have been eliminated. See Note 9 for further information regarding WPRA.

B. Basis of Presentation

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). WHA Radio has not applied Financial Accounting Standards Board pronouncements issued after November 30, 1989. GASB allows governmental entities that previously used the American Institute of Certified Public Accountants' not-for-profit model to use enterprise fund accounting and financial reporting. Enterprise fund financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

Revenues from government-mandated or voluntary nonexchange transactions, such as contributions and grants, are recognized when all applicable eligibility requirements are met. Eligibility requirements are established by the provider of the funds and may stipulate the qualifying characteristics of recipients, time requirements, allowable costs, and other contingencies. Restrictions that specify the purpose for which resources are required to be used are not considered eligibility requirements and do not affect when nonexchange revenue is recognized.

Contributions, gifts, and grants that do not have eligibility requirements are reported as revenue when WHA Radio is entitled to the funds. Pledged WPRA contributions that are expected to be collected within one year are recorded as revenue at the net realizable value. There are no pledges due in more than one year. Contributions, gifts, and grants with eligibility requirements, such as expense-driven grants, are recognized when the eligibility requirements are met. Noncash contributions are recognized as revenues in the period of receipt.

Expenses are shown in the functional categories contained in the Statement of Revenues, Expenses, and Changes in Net Assets. Expenses that relate to more than one category are allocated to the respective categories, using estimates if necessary. Restricted resources are first applied when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

Operating revenues are directly related to programming, production, and development activities. Nonoperating revenues are indirectly associated with programming, production, and development activities, such as investment income. Certain significant revenue streams relied upon for operations are reported as nonoperating revenue, as defined by GASB Statement Number 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, including state general appropriations and donated facilities and administrative support from the University of Wisconsin System.

C. Accounting Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

D. Cash and Cash Equivalents

Cash and cash equivalents include cash balances deposited with the State; shares in the State Investment Fund, a short-term investment pool of state and local funds; and WHA Radio's allocated share of WPRA's cash and cash equivalents, which include cash deposits and highly liquid investments with an original maturity of three months or less.

E. Valuation of Investments

All investments of WHA Radio are carried at fair-market value based on quoted market prices. State Investment Fund shares are valued at amortized cost, which approximates fair value.

F. Capital Assets

Items classified as capital assets are recorded at cost or, for donated property, at the estimated fair-market value at date of receipt. A capital asset is defined as any single asset that has an acquisition cost of \$5,000 or more and a useful life of more than one year, whether purchased outright or acquired through a capital lease or donation. Capital assets also include certain constructed or fabricated items and certain component parts. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Estimated useful lives for capital assets are based on standards for the public broadcasting industry developed by the Public Broadcasting Service and range from 4 to 15 years. Expenses for repairs and maintenance are charged to operating expenses as incurred.

G. Due to the University of Wisconsin System

All cash received by WHA Radio from grants and contracts is deposited with the University of Wisconsin System. Expenses related to certain WHA Radio grants and contracts may be incurred by the University of Wisconsin System prior to receipt of funding from the granting agency. The difference between cash received and expenses is reported as a payable, Due to the University of Wisconsin System, on the Balance Sheet until the eligibility requirements have been met.

H. Deferred Support

Payments received but not yet earned for grants with eligibility requirements are reported as a liability on the Balance Sheet.

I. Compensated Absences for Employees

Unused, earned compensated absences, other than accumulated sick leave, are accrued with a resulting liability. The liability and the expense for compensated absences are based on the subsequent years' rates of pay. The related employer's share of social security taxes, Medicare taxes, and contributions to the Wisconsin Retirement System is also accrued with a resulting liability.

J. Restricted Net Assets

Restricted net assets are reported when constraints placed on net assets are externally imposed, such as by donors or grantors. WHA Radio's restricted net assets include purpose restrictions placed by donors on contributed support or gifts. Unrestricted net assets may be used at the discretion of WHA Radio management.

2. DEPOSITS AND INVESTMENTS

WHA Radio's cash balances are deposited with the State and invested in the State Investment Fund, a short-term pool of state and local funds. This fund is managed by the State of Wisconsin Investment Board with oversight by its Board of Trustees and is not registered with the Securities and Exchange Commission as an investment company. The various types of securities in which the State Investment Fund may invest are enumerated in ss. 25.17(3)(b), (ba), and (bd), Wis. Stats., and include direct obligations of the United States and Canada, securities guaranteed by the United States government, securities of federally chartered corporations, unsecured notes of financial and industrial issuers, Yankee/Eurodollar issues, certificates of deposit issued by banks in the United States and solvent financial institutions in this state, and bankers acceptances. The Investment Board's trustees may approve other prudent investments and have granted derivatives authority, subject to review and approval by the Investment Board's Investment Committee, limited to positions in finance futures, options, and swaps, and only if the purpose is to hedge existing positions, adjust portfolio duration within statutory guidelines, or reduce the interest-rate risk.

WHA Radio's investment balances are deposited with the University of Wisconsin System and invested in two different pools of University of Wisconsin funds, the Intermediate Term Fund, which invests entirely in fixed-income securities, and the Long Term Fund, which primarily invests in fixed-income and equity securities. These two funds are managed by the University of Wisconsin System, with oversight and authorization of the investment policies and guidelines by its Board of Regents, and are not registered with the Securities and Exchange Commission as an investment company.

WPRA's cash and investment activities are managed separately from the cash and investment activities of the State Investment Fund and the University of Wisconsin funds. WPRA cash balances are held in deposit and money market accounts at one financial institution. WPRA investments are managed by asset management or private trust companies and consist of certificates of deposit, fixed-income funds, and equity mutual funds.

A. Deposits

Custodial credit risk is the risk that in the event of a failure of a depository financial institution, deposits may not be returned. WPRA does not have a deposit policy for custodial credit risk. Deposits maintained by WPRA are insured by the Federal Deposit Insurance Corporation for up to \$100,000 at each depository institution. At June 30, 2006, the bank balances of WHA Radio's share of WPRA's deposits were \$833,226, of which \$341,251 was uninsured and uncollateralized.

B. Investments

Investment balances for WHA Radio as of June 30, 2006, were as follows:

<u>Investment</u>	<u>Fair Value</u>
Money Market Funds Awaiting Investment	\$ 38,379
Fixed-Income Funds	81,716
Equity Mutual Funds	168,489
UW Intermediate Term Fund	679,370
UW Long Term Fund	<u>980,178</u>
Subtotal	1,948,132
Certificates of Deposit Classified as "Deposits" for this Disclosure	<u>239,741</u>
Total Investments on the Balance Sheet	<u>\$2,187,873</u>

The investments of WHA Radio and its share of WPRA investments are exposed to the following risks:

Credit Risk—Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The University of Wisconsin System’s investment guidelines prohibit security transactions that involve a counterparty rated below AA by Standard & Poor’s and/or Moody’s. In addition, all securities held must have a minimum quality rating of investment grade (BBB/Baa by Standard & Poor’s and/or Moody’s) with an average portfolio quality of at least AA as rated by Standard & Poor’s and/or Moody’s. WPRA does not have an investment policy for credit risk. As of June 30, 2006, the UW Intermediate and Long Term Funds and WPRA’s fixed-income investments listed in the preceding table were all unrated.

Interest Rate Risk—Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The University of Wisconsin System’s investment guidelines mandate that the Intermediate and Long Term Funds must maintain an effective modified duration within one year of the effective modified duration of the underlying portfolios’ benchmark indices. WPRA does not have an investment policy for interest rate risk. As of June 30, 2006, the fixed-income investments of WHA Radio and WPRA had the following modified durations:

<u>Investment</u>	<u>Fair Value</u>	<u>Modified Duration (In Years)</u>
UW Intermediate Term Fund	\$679,370	3.31
Dodge & Cox Income Fund	<u>81,716</u>	4.04
Total Fixed-Income Investments	<u>\$761,086</u>	

In addition, as of June 30, 2006, 12.7 percent of the UW Long Term Fund, in which WHA Radio had an investment of \$980,178, was invested in fixed-income securities that had a modified duration of 3.18 years.

Foreign Currency Risk—Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment. The University of Wisconsin System’s investment guidelines limit the Long Term Fund’s fixed-income and equity exposure to no more than 20 percent in foreign investments. WPRA does not have an investment policy for foreign currency risk. As of June 30, 2006, WHA Radio’s exposure to foreign currency risk is through its investment of \$980,178 in the Long Term Fund and its share of WPRA’s investments of \$51,897 in three international equity mutual funds.

3. CAPITAL ASSETS

The change in book value from July 1, 2005, to June 30, 2006, is summarized as follows:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance</u>
Capital Assets:				
Equipment	\$1,231,577	\$344,619	\$(136,259)	\$1,439,937
Less Accumulated Depreciation for:				
Equipment	<u>(853,490)</u>	<u>(102,050)</u>	<u>136,259</u>	<u>(819,281)</u>
Total Capital Assets, Net	<u>\$ 378,087</u>	<u>\$242,569</u>	<u>\$ 0</u>	<u>\$ 620,656</u>

Depreciation expense was charged to functions as follows:

Programming and Production	\$ 67,280
Broadcasting	<u>34,770</u>
Total Depreciation Expense	<u>\$102,050</u>

4. CAPITAL ASSET LIEN

Federal grant funds received from the National Telecommunications and Information Administration (NTIA) to purchase equipment contain a priority lien. The lien extends for a period of ten years from the date of award completion, during which time the federal government retains priority reversionary interest in the equipment. WHA Radio was awarded three NTIA capital equipment grants from fiscal year (FY) 2000-01 through FY 2005-06. The depreciated value of equipment subject to a priority lien was \$133,551 as of June 30, 2006.

5. NONCURRENT LIABILITIES

Noncurrent liability activity for the year ended June 30, 2006, was as follows:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance</u>
Compensated Absences	\$359,774	\$73,007	\$(73,367)	\$359,414

In addition, another \$18,668 is due within one year and included in the accounts payable and accrued expenses balance on the Balance Sheet.

6. DONATED FACILITIES AND ADMINISTRATIVE SUPPORT FROM THE UNIVERSITY OF WISCONSIN SYSTEM

Donated facilities from the University of Wisconsin System consist of physical plant operating costs of \$110,807 and occupancy costs of \$32,590 for FY 2005-06. Such contributions are recorded at the University of Wisconsin System’s cost of providing them. Administrative support from the University of Wisconsin System consists of allocated financial and administrative costs and certain other expenses incurred by the University of Wisconsin System on behalf of WHA Radio. Administrative support totaled \$1,244,949 in FY 2005-06.

7. IN-KIND CONTRIBUTIONS

In-kind contributions of \$2,972 in FY 2005-06 consisted primarily of printing relating to the fund-raising and membership development function. In-kind contributions and donated professional services are recognized as revenue and expenses on the Statement of Revenues, Expenses, and Changes in Net Assets in the period received and used. Donated professional services are recorded at the fee typically charged by the professional for the same type of service. All other donated services are recorded at fair-market value, when clearly measurable, or at the cost of providing the service.

8. EMPLOYEE RETIREMENT PLAN

Permanent and qualifying limited-term employees of WHA Radio are participants in the Wisconsin Retirement System, a cost-sharing, multiple-employer, defined benefit plan governed by Chapter 40 of Wisconsin Statutes. State and local government public employees are entitled to an annual formula retirement benefit based on: 1) the employee’s final average earnings; 2) years of creditable service; and 3) a formula factor. If an employee’s contributions, matching employer’s contributions, and interest credited to the employee’s account exceed the value of the formula benefit, the retirement benefit may instead be calculated as a money purchase benefit.

The Wisconsin Retirement System is considered part of the State of Wisconsin's financial reporting entity. Copies of the separately issued financial report that includes financial statements and required supplementary information may be obtained by writing to:

Department of Employee Trust Funds
P.O. Box 7931
Madison, Wisconsin 53707-7931

The report is also available on the Department of Employee Trust Funds' Web site, www.etf.wi.gov.

Generally, the State's policy is to fund retirement contributions on a level-percentage-of-payroll basis to meet normal and prior service costs of the Wisconsin Retirement System. Prior service costs are amortized over 40 years, beginning January 1, 1990. However, in December 2003, the State issued bonds and subsequently fully liquidated its prior service liability balance as of January 2003. State agencies are required to make future contributions to fund the bond payments.

The retirement plan requires employee contributions equal to specified percentages of qualified earnings based on the employee's classification, plus employer contributions at a rate determined annually. WHA Radio's contribution to the plan, including employer and employee contributions, was \$503,502 in FY 2005-06. The relative position of WHA Radio in the Wisconsin Retirement System is not available because the Wisconsin Retirement System is a statewide, multi-employer plan.

9. RELATED ENTITIES

A. Educational Communications Board Radio Network

The Educational Communications Board Radio Network is a public telecommunications entity operated by ECB. In order to achieve statewide services and economies of scale, in the mid-1980s ECB and the University of Wisconsin System's Board of Regents developed partnerships called Wisconsin Public Radio and Wisconsin Public Television to manage and operate their licenses. The partnerships are maintained through an affiliation agreement outlining structural principles and functions, administrative staff allocations, stations (of both Wisconsin Public Radio and Wisconsin Public Television), and financial commitments of the partners. The directors of Wisconsin Public Radio and Wisconsin Public Television are jointly appointed by ECB and the University of Wisconsin System's Board of Regents. Staff and resources from both agencies work together to provide administrative and program services. Amounts due to or from affiliated parties are separately disclosed on the Balance Sheet. The relationship pervades all aspects of the financial activities reported in the accompanying financial statements.

B. Wisconsin Public Radio Association, Inc. (WPRA)

WPRA is a publicly supported not-for-profit corporation whose purpose is to administer various fund-raising and membership duties of Wisconsin Public Radio and to provide support to WHA Radio and the ECB Radio Network. WPRA solicits funds in the name of, and with the approval of, both WHA Radio and ECB. Under an affiliation agreement, WHA Radio and ECB staff, along with the WPRA Board of Directors, approve WPRA's budget. WHA Radio and ECB have access to WPRA's net resources and retain an ongoing allocated interest in WPRA's net assets. WHA Radio's and the ECB Radio Network's allocated interest in WPRA are calculated in accordance with the affiliation agreement that currently provides WHA Radio with 24 percent of WPRA net resources and ECB with 76 percent. In addition, all net income from a quasi endowment held by WPRA on behalf of WHA is allocated to WHA Radio. This agreement is renegotiated annually based upon membership proportion.

WHA Radio includes its allocated share of WPRA assets, liabilities, revenues, and expenses in its financial statements. A summary of amounts related to WPRA included in the accompanying financial statements prior to inter-organization eliminations of \$220,116 of assets and liabilities and \$1,118,093 of revenue and expense follows:

	<u>June 30, 2006</u>
Cash and Investments	\$1,110,993
Receivables and Other Current Assets	<u>90,637</u>
Total Assets	1,201,630
Payables and Other Current Liabilities	<u>(234,045)</u>
Net Assets	<u>\$ 967,585</u>
	 Fiscal Year Ended <u>June 30, 2006</u>
Contributed Support and Revenue	\$1,310,971
Expenses:	
Programming and production	\$ 32,523
Program information	15,459
Management and general	33,728
Fund-raising	<u>126,063</u>
Total Expenses	<u>207,773</u>
Change in Net Assets before Contractual Support to WHA	<u>\$1,103,198</u>

WPRA issues separate financial statements, which are audited by other auditors. A summary of significant WPRA financial data for FY 2005-06 follows. Copies of WPRA's separately issued financial statements may be obtained by contacting the Financial Manager of the Wisconsin Public Radio Association, Inc., at 821 University Avenue, Madison, Wisconsin, 53706.

	<u>June 30, 2006</u>
Cash and Investments	\$2,125,601
Receivables and Other Current Assets	<u>377,653</u>
Total Assets	2,503,254
Payables and Other Current Liabilities	<u>(278,161)</u>
Net Assets	<u>\$2,225,093</u>
	Fiscal Year Ended
	<u>June 30, 2006</u>
Contributed Support and Revenue	\$5,395,556
Expenses:	
Programming and production	\$ 135,511
Program information	64,413
Management and general	140,532
Fund-raising	525,264
Contractual Support to WHA and ECB	<u>4,420,457</u>
Total Expenses	<u>5,286,177</u>
Change in Net Assets	<u>\$ 109,379</u>

C. The University of Wisconsin Foundation

The Foundation is the official not-for-profit fund-raising corporation for the University of Wisconsin-Madison and several other units of the University of Wisconsin System, including the University of Wisconsin-Extension. It receives gifts and bequests, administers and invests securities and property, and disburses payments to and on behalf of the University of Wisconsin. As of June 30, 2006, the market value of endowments and accumulated interest held by the Foundation for WHA Radio was \$714,301. The accumulated interest is available to be transferred to the University and spent by WHA Radio. Accumulated interest totaled \$100,807 as of June 30, 2006. WHA Radio transferred \$14,000 from the Foundation and spent \$25,571 in FY 2005-06. Only the actual transfers from the Foundation are reflected in WHA Radio's financial statements.

10. ALLOCATION OF WLSU-FM

WLSU-FM is qualified for Community Service Grant assistance from the Corporation for Public Broadcasting (CPB). Beginning in FY 2002-03, its affiliated Music Network stations, WUEC-FM and WVSS-FM, were also combined with WLSU-FM for purposes of applying for Community Service Grant assistance. WLSU-FM and WHA Radio and their affiliates are licensed to the University of Wisconsin System’s Board of Regents. Financial transactions for WLSU-FM and its affiliated stations are included as a part of WHA Radio’s financial statements.

The portion of WHA Radio’s statement of financial activity attributable to WLSU-FM’s and its affiliates’ revenues, direct expenses, and related allocable indirect expenses has been identified in the following table for FY 2005-06. The remaining revenues and expenses are attributable to WHA Radio and its affiliated Ideas Network stations and include any unallocated amounts of WLSU-FM.

	<u>WHA-AM and Affiliates</u>	<u>WLSU-FM and Affiliates</u>	<u>WHA Radio Total</u>

Change in Net Assets	<u>\$ 709,342</u>	<u>\$ 43,971</u>	<u>\$ 753,313</u>

11. RESTATEMENT OF BEGINNING NET ASSET BALANCE

WHA Radio pays National Public Radio (NPR) an annual fee to air programs produced and distributed by NPR from October 1 through September 30. In prior years, the entire fee was expensed. However, the portion of the fee associated with the months of July through September should have been established as a prepaid asset at fiscal year-end. Beginning in FY 2005-06, WHA Radio established a prepaid for three months of NPR fees and restated the beginning unrestricted net asset balance by an increase of \$34,474.

Report on Control and Compliance ■

***Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with Government Auditing Standards***

We have audited the financial statements of WHA Radio as of and for the year ended June 30, 2006, and have issued our report thereon dated December 5, 2006. We did not audit the financial statements of the Wisconsin Public Radio Association, Inc. Those financial statements were audited by other auditors whose report thereon has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Wisconsin Public Radio Association, Inc., is based solely upon the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the Wisconsin Public Radio Association, Inc., were audited by other auditors in accordance with auditing standards generally accepted in the United States of America, but not in accordance with the additional requirements of *Government Auditing Standards*.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered WHA Radio's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our

consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether WHA Radio's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This independent auditor's report is intended for the information and use of the University of Wisconsin-Extension, the University of Wisconsin System's Board of Regents, the Wisconsin Legislature, and the Corporation for Public Broadcasting. This independent auditor's report, upon submission to the Joint Legislative Audit Committee, is a matter of public record and its distribution is not limited. However, because we do not express an opinion on internal control over financial reporting or on compliance, this report is not intended to be used by anyone other than these specified parties.
