RE: Subscription Rates for Committee Materials

DATE: May 1, 2014

The 2014 Joint Legislative Council interim committees are being appointed and will begin soon. The records in this office indicate that in past years you have either received committee materials through our subscription service or are now listed as an interested party for a current committee.

In an effort to get your information to you quicker and more efficiently, as well as being cognitive of the costs to the taxpayers, a subscription plan is offered.

You may receive committee documents along with all staff publications at no cost. Interested parties may register at the Legislature's website (<http://www.legis.wisconsin.gov>) and all notices will be emailed to you the minute they are posted. Simply go to the Legislature's homepage and click on *Notification Service* then follow the instructions to add items and receive your notices. Staff publications and other documents are available at the Council website or send your email address to this office.

Subscribers that want to receive copies of all publications and witness handouts will be charged \$100 per committee. This charge will help offset our copying and postage costs.

Individuals may review committee materials during normal business hours at the Legislative Council office. Copies of individual documents may be obtained at a cost of 10¢ per page. The Legislative Council website will also carry most committee materials. The web address is <http://www.legis.state.wi.us/lc>.

Enclosed is an order form for your use. Please contact me if you have questions or concerns.
