

WISCONSIN LEGISLATIVE COUNCIL

Accessing Committee Materials

The Legislative Council collects material during the public hearing of a bill. These materials are not the official committee record, but represent items distributed to the committee. Some documents may not be scanned due to volume or copyright. You may access these materials at: <http://www.legis.state.wi.us/lc/>.

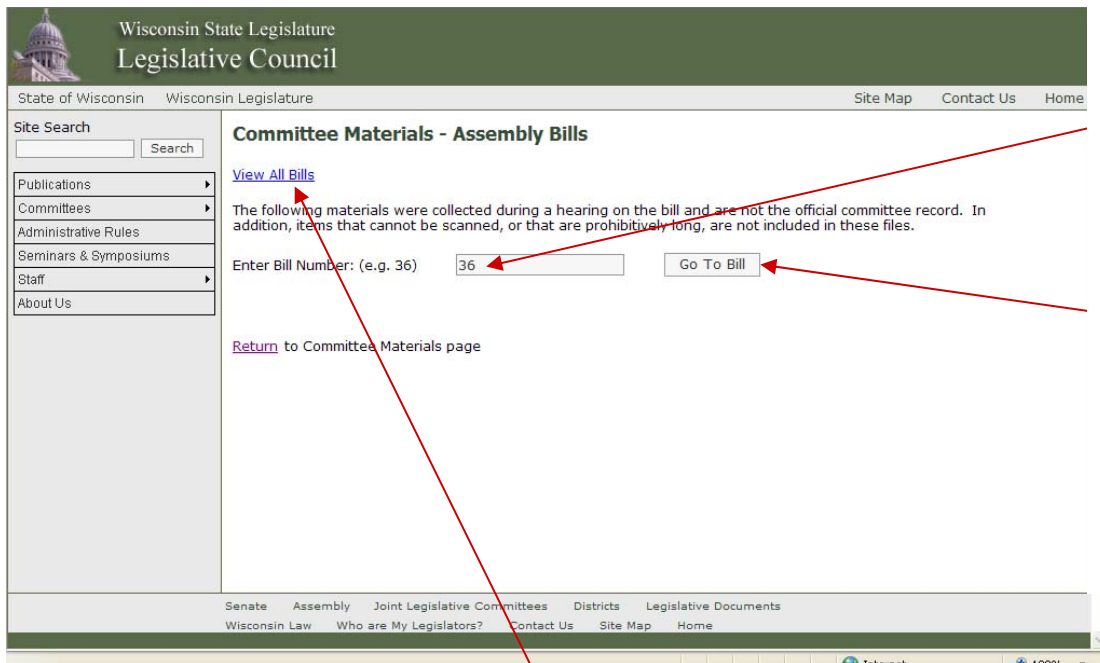

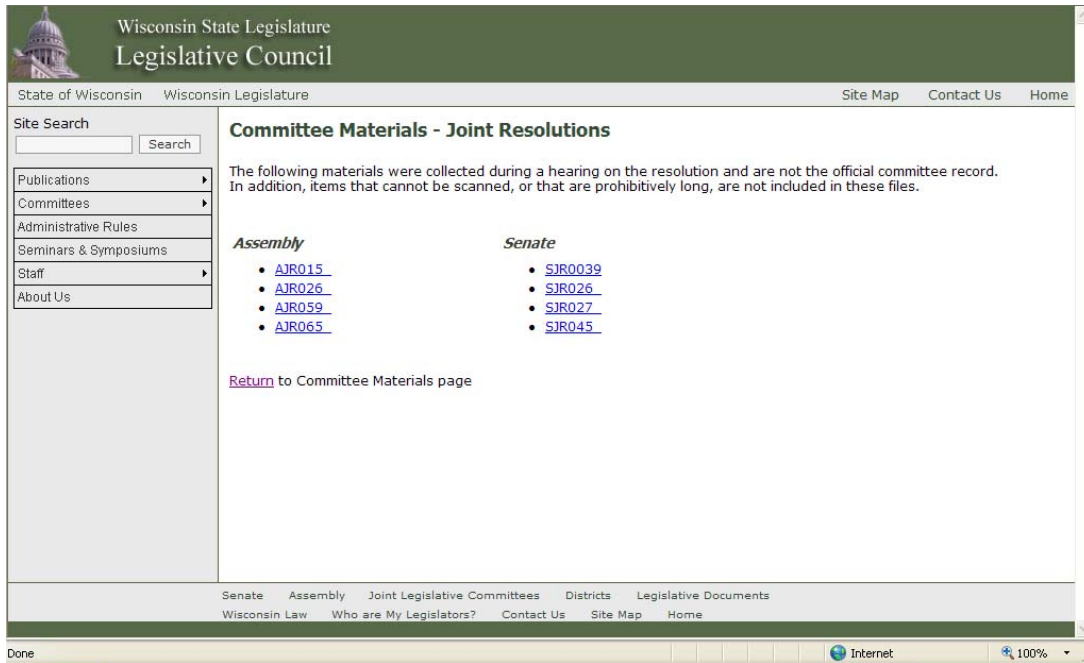

From the navigation toolbar on the left select Committees → Standing Committees → Committee Materials

The committee materials are categorized by Assembly, Senate, bills or resolutions, and Joint Resolutions.

When selecting Joint Resolutions all material for both the Assembly and Senate are listed.

When selecting Senate or Assembly bills or resolutions enter bill (resolution) number here

Click Go to Bill (Resolution) button

For an option to view all bill (resolution) materials click here

Material appears as bill (resolution) number; click the bill number to view committee material. All material stored as Adobe PDF documents.
