Introduction

This staff directory of the Legislative Fiscal Bureau has been prepared in response to a number of legislative requests for such a document.

The directory is divided into three sections. First, an identification of each staff member is shown on pages 1 through 9. This section is organized by team within the Bureau.

The second section, which begins on page 11, contains an alphabetical listing of the Bureau's agency and program assignments.

The final section, which begins on page 19, lists the staff, agencies, and programs assigned to each of the Bureau's teams.

To assist the user, a table of contents follows this introduction.
