

HIGHLIGHTS OF MILITARY AND VETERANS AFFAIRS IN WISCONSIN

Military Service — More Wisconsinites served in World War II than in any other conflict, with Vietnam ranking second, but fatalities were heaviest in the Civil War. From the Civil War through Operation Desert Storm, more than 26,600 Wisconsinites have lost their lives in military service.

As of June 1999, almost 10,000 Wisconsinites were serving in Wisconsin's 102 Army and 36 Air National Guard units in 67 communities throughout the state. National Guard facilities included 68 armories and 3 air bases.

Veterans' Programs — Since the end of World War II, more than 550,000 grants and loans totaling over \$2.7 billion have been provided to Wisconsin veterans. Historically, most of the grants have been for educational purposes, while the overwhelming number of loans were for housing. The grants have also covered subsistence aid and emergency health care assistance for needy veterans. Veterans may qualify for low-interest home mortgage and home improvement loans. In addition, eligible veterans and, in some instances, spouses and dependent children of deceased veterans may qualify for personal loans to finance expenses, such as education, business start-ups or purchases, medical bills, debt consolidation, and mobile home purchases.

In 2000, Wisconsin veterans and their families received more than \$26.2 million in federal educational assistance. The largest portion (\$17.2 million) went to 5,354 Wisconsin veterans participating in a program popularly known as the "Montgomery GI Bill". A total of 44,691 disabled Wisconsin veterans received almost \$299 million in benefits through the compensation and pension programs, and 6,661 beneficiaries of deceased veterans received over \$48 million in benefits.

The Wisconsin Veterans Home at King had 745 members at the end of 2000. In general, to be eligible for residence, a veteran must have completed certain military service requirements and be a Wisconsin resident on the date of admission to the home. In addition, he or she must have been a resident of Wisconsin at the time of entry into service or a resident of the state for any 5-year period after service and prior to application for the veterans home. Depending on availability of space, spouses and surviving spouses or parents of qualifying veterans may also be admitted.

The following tables present selected data. Consult the footnoted sources for more detailed information about military and veterans affairs.

¹The Disability Compensation Program provides payments to veterans for service-related disability, to surviving spouses and dependent children, and to dependent parents of veterans who died as a result of service-connected disability. The Pension Program provides payments to needy veterans who are permanently and totally disabled as a result of nonservice-connected disability; survivors may be included in the program.

²Includes educational programs not listed separately, such as educational benefits to dependents and spouses and vocational rehabilitation programs designed to aid disabled veterans.
