

Hello,

This is a notification that the Legislative Technology Services Bureau (LTSB) **has** received your ward data. In order to complete your submission, you must document any annexations missing from the US Census Bureau dataset. As a reminder, full submission will be **due on January 18th, 2016**.

If there are no annexations to report, simply:

1. Log on to [WISE Decade](#)
2. Click 'CBAS & Ward Collection'
3. Click 'Document your Data for C-BAS'
4. Click 'Finished with All Documentation'. You should receive another automated email confirming that your submission, and you are done!

Please see below for more information:

Wisconsin counties are now required by state statute to submit ward level geographic information system (GIS) data to the Legislative Technology Services Bureau (LTSB) twice a year; in January and July. LTSB has created the [WISE Decade](#) system to assist and facilitate compliance with these statute changes.

Collection began on: **Monday, January 4th, 2016**,
and will conclude on: **Monday, January 18th, 2016**

For more information on the statute changes and this project please visit our website:
<http://legis.wisconsin.gov/ltsb/gis/wise-decade/>.

If you have any application support or data questions, please e-mail the LTSB GIS team at: support.wise-decade@legis.wisconsin.gov.

Thank you,

The LTSB GIS Team
Wisconsin Legislature
