## Statement by Senator Tom Tiffany Regarding the State of the State Address

**Madison** - State Senator Tom Tiffany (R-Hazelhurst) released this statement following Governor Scott Walker's State of the State address:

"I want to commend Governor Walker and the First Lady for their commitment to ensure everyone in this state, including Sandy from Eagle River, a constituent in the 12<sup>th</sup> Senate District, can enjoy a bright future with their family. With the support of Governor Walker, and the Legislature, we will help all able-bodied and willing Wisconsinites gain access to necessary public assistance programs with the ultimate goal of gaining workforce readiness. I support Governor Walker's proposal of investing an additional \$35.5 million to expand the rural broadband access grant program and I look forward to pursuing policies that will create jobs for rural Wisconsinites."
