**Sen. Testin to Join Local Officials for Town of Knapp Broadband Forward!  
Certification**

**Town of Knapp, WI** – On Friday, June 16<sup>th</sup>, Senator Patrick Testin will join officials from the Town of Knapp and the state’s Public Service Commission (PSC) to celebrate the town’s Broadband Forward! certification. Created in 2016 by the passage of AB 820, a [Rural Wisconsin Initiative](#) bill, the Broadband Forward! certification enables communities to voluntarily agree to standards that make it easier for broadband expansion. Rural communities use this certification to signal their desire and preparedness for new broadband investments.
