Attached is the file with Voting populations from the court drawn map in 2002. The African-American districts we are talking about are Assembly districts 10, 11, 12, 16, 17 and 18. The Hispanic districts are Assembly districts 7, 8 and 9.

AD's 10, 11 and 12 make up the 4th senate district, 16,17 and 18 make up the 6th Senate district, and 7, 8 and 9 make up the 3rd Senate district.

Under SB 148, below are listed the Voting Age Percentages.

AD 10 (Coggs) 61.8%
AD 11 (Fields) 61.9%
AD 12 (Open) 51.5%

SD 4 (Taylor) 58.4%

AD 16 (Young) 61.3%
AD 17 (Toles) 61.3%
AD 18 Grigsby) 60.4%

SD 6 (Coggs) 61%

Please let me know if you have any questions.
