Senate Passes Budget Amendment to Repeal Prevailing Wage *Senator Stroebel to vote for budget*

Madison, WI – Senator Duey Stroebel (R-Cedarburg) issued the following statement on the Senate passing an amendment to repeal prevailing wage:

Prevailing wage repeal has been my priority since taking office in April. Like Act 10, the repeal of prevailing wage provides another tool for local governments to be good stewards of our valued taxpayer resources. As a Senator, my job is to ensure Wisconsin's tax climate improves. Wisconsin's reputation as a high-tax state is not acceptable. I will continue to stand up to special interests in order to protect both taxpayers and Wisconsin's future economic success.

I would especially like to thank Senators Frank Lasee, Steve Nass, and Leah Vukmir for their steadfast support and energy during the prevailing wage debate. While the process to gain support for repeal has been arduous, I am proud to stand with my Senate caucus having done the right thing to save the taxpayers hundreds of millions of dollars annually.

I am hopeful the Assembly will also do the right thing and repeal this antiquated requirement.
