Senate Republicans Lead the Way

Madison, Wis. – Senator Mary Lazich issued the following statement on the Senate’s approval of the State Budget and Prevailing Wage Reform Package:

“Today, Legislative Republicans demonstrate they are responsible stewards of taxpayer dollars. Our current budget commits to living within our means. The Joint Finance Committee along with Legislative Republicans worked tirelessly to reduce bonding levels and ensure sales, income, and property taxes are not increased. We increased funding for K-12 and expand school choice. We protect Wisconsin’s long term care programs and make seniors a priority.”

“Prevailing wage is an outdated regulation, and the repeal package approved by the Senate provides Wisconsin with greater financial flexibility. Prevailing wage reform results in considerable savings for hard-working taxpayers and affords local governments’ enhanced fiscal freedoms. As an elected official, I support commonsense reforms and continue to be committed to improving Wisconsin’s economic outlook.”

“While democrats proposed budget amendments that continuously throw taxpayer dollars at problems they exaggerate for political gain, Republican Legislators make decisions by confronting budgetary concerns. We managed the state’s finances with comprehensive and straightforward budgeting. Thanks to our balanced budget, I am confident Wisconsin will continue a path of economic growth.”

Senator Lazich represents parts of Milwaukee, Waukesha, Racine, and Walworth Counties.
