Senator Vukmir Elected Assistant Majority Leader

(Madison, WI) – Senator Leah Vukmir (R – Wauwatosa), currently serving her second term in the Wisconsin State Senate, was elected assistant majority leader by the Republican caucus. Senator Vukmir released the following statement:

“I am honored my peers have placed their confidence in me to help accomplish our goals. I look forward to working with my colleagues and continuing on a path of successful reforms. This position is an incredible opportunity, and I welcome any new challenges brought before me. It’s critical that we pursue an agenda that places the best interest of Wisconsin families and our economy first, and I intend on doing my part to make certain we accomplish our legislative objectives.”

The position of assistant majority leader became vacant following the resignation of State Senator Paul Farrow (R – Pewaukee), who was elected to serve as Waukesha County Executive.

Senator Vukmir will work closely with Senate Majority Leader Scott Fitzgerald (R – Juneau) during the remainder of the 2015-2016 Legislative Session. Republicans currently hold 19 of the 33 seats in the Wisconsin State Senate.

Senator Vukmir represents Milwaukee and Waukesha counties.
