### **State Senator Luther Olsen Statement on King Audit**

**Madison...** State Senator Luther Olsen issued the following statement following the Joint Legislative Audit Committee's hearing and vote on his request for an audit of the Veteran's Home at King.

"I would like to thank everyone who testified at the hearing today. The issues raised at the hearing will help inform the auditors as they begin the audit process. I would also like to thank the members of the Joint Legislative Audit Committee for voting unanimously to approve the audit of the Veterans Home at King.

I requested this audit because I am concerned about the care that members of the facility are receiving at King. Our veterans deserve the best possible care and it is our duty to make sure their quality of life at this facility is the best it can be."
