"...This program went really in depth and showed me totally different views of government."

"...It is so remarkable to me how much access we as high school students were able to get through this program. I loved being able to see so much in action and meet so many important people."

Looking for a challenging opportunity to learn how your state Legislature works?

The **Senate Scholar Program** is an intensive, week-long educational program offered by the Wisconsin State Senate. Admission is highly competitive and limited to 33 students.

Each Senate Scholar receives a hands-on view of the Legislature's role in our democracy, and gains experience working with Senators and legislative staff.
