Dear Fellow Legislator:

Special committees of the Joint Legislative Council are an effective way to address complex issues confronted by the Legislature. Legislation introduced by the Joint Legislative Council has a higher likelihood for passage. As Co-Chairs of the Joint Legislative Council, we are committed to advancing a productive group of 2012 special study committees. In addition, we intend to have these committees complete their assignments prior to the conclusion of calendar year 2012.

We seek your suggestions for study topics that we may consider for the Council's 2012 interim. Effective study committees require committed legislators. Your ideas will help us consider the issues of greatest interest to the legislative members.

Please take a moment to complete the enclosed form and return it to:
