Note: List includes only appointments made by the governor. Additional members frequently serve ex officio or are appointed by other means. The governor also appoints members of intrastate regional agencies and nonstatutory committees and makes temporary appointments under Wis. Stat. ch. 17 to elected state and county offices when vacancies occur.

Terms are specified by the following statute sections or as otherwise provided by law: Wis. Stat. § 15.05 (1)—secretaries; Wis. Stat. § 15.06 (1)—commissioners; Wis. Stat. § 15.07 (1)—governing boards and attached boards; Wis. Stat. § 15.08 (1)—examining boards and councils; Wis. Stat. § 15.09 (1)—councils.

1. Nominated by the governor and appointed with the advice and consent of the senate. Senate confirmation is required for secretaries of departments, members of commissions and commissioners, governing boards, examining boards, and other boards as designated by statute. 2. Members of boards and councils are reimbursed for actual and necessary expenses incurred in performing their duties. In addition, examining board members receive \$25 per day for days worked, and members of certain other boards under Wis. Stat. § 15.07 (5) receive a per diem as noted in the table. 3. Nominated by the governor but not yet confirmed by the senate. 4. Wis. Stat. § 20.923 places state officials in one of 10 executive salary groups (ESG) for which salary ranges have been established.
