## **Rep. Tusler Thanks Rep. Jesse Kremer for His Service**

**Madison, WI** – Representative Ron Tusler (R - Harrison) released the following statement regarding Representative Jesse Kremer’s (R – Kewaskum) retirement announcement:

“Calumet County has been blessed by the hard work, intelligence, and loyalty of Representative Jesse Kremer. I was very sorry to hear that he has chosen not to seek re-election. In the short time I have been in the Capitol, Jesse has shown himself to be a model conservative legislator. He will be hard to replace and he will be missed.

“Jesse epitomizes Calumet County values. He flipped thousands of burgers at McDonalds before attending Fox Valley Tech and joining the Army National Guard. Jesse fought for our country in Iraq before taking a civilian job as a pilot with Midwest.

“Jesse is an open-minded, honest and caring person in the legislature. He served the state humbly and loyally. I am grateful for Rep. Kremer’s work on campus free speech legislation, law enforcement body camera standards, and most importantly his passionate advocacy for the unborn. I ask my fellow Calumet County residents to join me in thanking him for his service to our country, state, and county. I wish him the best in his future endeavors.”
