Rep. Steffen Announces Budget Listening Session *Representative Steffen Will Hold a Session to Gather Public Input*

Madison- State Representative David Steffen (R-Howard) announced that he will be holding a budget listening session to gather public input regarding the 2015-17 biennial budget.

“Throughout the budget process I have encouraged constituents to reach out and provide input regarding this biennial budget. In response to constituent input, I have successfully advocated a number of budget requests to the Joint Finance Committee such as: increased funding to fight and prevent fraud, restoring funding for Justice Assistance grants, and modifying the fire protection fee to reduce the burden felt by multi-parcel landowners, such as farmers. I am now again reaching out to encourage constituents to meet with me to discuss our state’s budget,” said Rep. Steffen.

Rep. Steffen will be available to meet with constituents at the location and time listed below:
