## **Rep. Steffen Provides Statement on Brewers Stadium Legislation**

**Madison, WI** – Today, State Representative David Steffen (R-Howard) released the following statement regarding the Assembly’s passage of legislation to fund repairs and maintenance of the American Family Field stadium:

“As an individual who worked for the Green Bay Packers and now represents the residents and businesses surrounding Lambeau Field, I fully understand the incredible financial, cultural, and community value of hosting a professional sports team. Unfortunately, my concerns regarding the public funding level and sourcing associated with the current Brewers stadium proposal were not adequately addressed prior to today’s State Assembly vote. If the current proposal fails to become law, I am committed to working with my colleagues on developing an alternate pathway that relies less heavily on Wisconsin taxpayers.”
