

NEED HELP?
HERE TO SERVE means that I must be available to you! In addition to my legislative and community work, I provide a variety of services through my office.

LEGISLATIVE CITATIONS
I believe it is very important to recognize those who have made a positive contribution to our community.
I am happy to present constituents with a legislative citation to honor their public service efforts or a special achievement. If you would like to request a citation for you or someone, please contact my office at 608-266-5813.

CASEWORK
I am happy to help you with problems involving state agencies or local governments. Contact my office for assistance.

PUBLICATIONS AND FLAGS
Please contact my office if you would like to receive a Wisconsin state highway map, Living Will, or Blue Book. Both American flags and Wisconsin flags are available for purchase.

CAPITOL TOURS
If you would like to visit the Capitol, free tours are given daily from 9:00–11:00 a.m. and 1:00–4:00 p.m.

INTERNSHIPS
My office offers year round internships. High school and college students are welcome to apply.

A Divided House

Making state government work for all!

Dear Neighbor,
The results of the 2018 election ushered in a new day in Wisconsin politics. While both chambers of the state legislature are still controlled by the Republican Party, a Democratic Governor was elected, which means both parties now share power. This change means my colleagues and I have a greater responsibility to our constituents to engage in ardent listening and collaboration. I am happy to report that throughout this legislative session we were able to find common ground and help move the needle of progress in the right direction. I wanted to share with you the work that I am doing as your elected State Representative. Not only is this your way to hold me accountable, its also an opportunity for me to review and improve my work. I hope you enjoy and find the contents of this newsletter helpful.

USDA Student Employment Opportunities

The U.S. Department of Agriculture offers various opportunities for students and recent graduates to work in the agricultural, science, and business fields. The programs are offered to middle, high school, and college students, as well as those interested in post-secondary apprenticeship. The Student Employment Opportunities program serves as the umbrella for all the student and recent graduate programs offered at USDA. For more information regarding USDA student opportunities please visit their website at www.usda.gov/our-agency/careers/usda-pathways-programs or contact my office.

A Safer Milwaukee

Since taking office I have been committed to ensuring that the twelfth district remained a safe community for all of us to live, work, and play. As such, I have forged relationships with the Milwaukee and Wauwatosa Police Departments to ensure that you receive consistent and timely updates regarding crime that may occur in our district. I am pleased to report that crime decreased significantly in our district in 2019. This was due in part to the reactivation of several block watch clubs, increased usage of the police non-emergency telephone number, and citizens' use of video doorbell surveillance systems. It is my goal to continue working with our local law enforcement to curb crime in the district and to ensure they have the necessary resources to keep our community safe and vibrant.

COVID-19 in Wisconsin

COVID-19 is a virus that has not previously infected humans and information about its rate of spread and its effects is still largely unknown. On March 11, 2020 the World Health Organization officially declared COVID-19 a pandemic. The best way to prevent illness is to avoid being exposed to this virus. As of April 3, 2020, Wisconsin had 1,843 cases and 37 deaths as a result of COVID-19. Specifically in Milwaukee County, out of the 945 COVID-19 cases, 18 deaths have resulted. Reducing the risk of COVID-19 in Milwaukee is a top priority for me, therefore I am practicing social distancing. Please continue to use my office as a resource if you have any questions.

Moving Forward

This legislative session has been both exciting and hectic. I have been invigorated about the possibilities for our state's future, and also frustrated by the status quo. However, I am honored to serve my constituents and the state of Wisconsin. Our progressive traditions in this state are worth fighting for.

As we move ahead, I look forward to putting your issues front and center and shining a light on improving the quality of life for all Wisconsinites. I will continue to be a champion for improving education, reforming our health care system, protecting rights, promoting justice, enhancing public safety, and opening up government to all people, not just special interests. I hope you will join with me on this journey, and always feel free to give your input and advice. Together we can secure a bright future for all of Wisconsin.
