## **Rep. Robyn Vining’s Statement on the Passing of Former U.S. Senator Herb Kohl**

MILWAUKEE—State Representative Robyn Vining (D-Wauwatosa) released the following statement after the passing of former U.S. Senator Herb Kohl:

“Senator Kohl was a true champion for the people of Milwaukee and Wisconsin. During his decades of public service and charitable efforts, Senator Kohl championed causes that mattered most to Wisconsinites—fighting for quality education for every child and improving healthcare accessibility and affordability. Particularly notable was how it was clear that to Senator Herb Kohl, people mattered—to speak with Senator Kohl was to have his full attention, and his compassion.

“Senator Kohl’s life embodied humility, kindness, and compassion. His legacy will serve as an inspiration to future generations of leaders, and may his memory be a blessing to his family and everyone fortunate enough to have met him.”
