

Dear Neighbors,

June has been a great month. I have gotten a chance to speak with so many of our neighbors as I have started handing out surveys door-to-door. Thank you all for being welcoming and thank you to those who have already returned their survey to my office. If you would like to fill out the survey online, please click [here](#).

In this e-update I will discuss the history and importance of June as Pride Month, June 27th as National HIV Testing Day, and bid farewell to Leonard Zubrensky.

I also feature a local business, nonprofit, and neighbor. This month these are Neutral Ground, the UW Credit Union, and Nikki Cahen. If you have any suggestions for a neighbor, nonprofit, or business in our district we could feature next month, please email me at Rep.Brostoff@legis.wi.gov.

I also have included information for organizations interested in receiving free trees, a brief list of community events, and the Humane Society's featured adoptable pet.

Please contact me with any legislative concerns you might have or if you would like to request a free Wisconsin Blue Book, State Highway Map, Veterans Resource Guide, a publication of How a Bill Becomes a Law, or a children's activity book.

Thank you for the opportunity to serve.

In service,
