

Nonprofit of the Month:

Serve 2 Unite

Following the horrific shooting at a local Sikh Temple, Serve 2 Unite formed to promote peace and inclusivity within our community's schools.

Their programs include workshops, the arts, volunteer opportunities, and global mentorship. As stated by their website, "Interdependence is studied and practiced with collaboration between all. Together we cultivate mindful compassion."

For more information on Serve 2 Unite including how to open a chapter if you are an educator, click [here](#).
