

Dear Neighbors,

In this e-update I will discuss my vote on the Bucks Arena deal. This has been a very intense issue for many of us and I appreciate all of the feedback and input I received during the process.

I also provide some information on legislation I am currently working on to ensure that Hmong wedding tradition is honored by Wisconsin's legal system. Summer is flying by but there are still some hot days to come. I have also included information on staying safe in the sun and heat.

Each month I like to feature a local business, nonprofit, and neighbor. This month these are Top Note Tonics, Serve 2 Unite, and Mark Flower. If you have any suggestions for a neighbor, nonprofit, or business in our district we could feature next month, please email me at Rep.Brostoff@legis.wi.gov.

I also have included a brief list of community events and the Humane Society's featured adoptable pet.

I have gotten a chance to learn more about so many of our neighbors through surveys my interns and I are hand delivering.

Thank you all for your input and ideas. If you would like to fill out the survey online, please click [here](#).

Please contact me with any legislative concerns you might have or if you would like to request a free Wisconsin Blue Book, State Highway Map, Veterans Resource Guide, a publication of How a Bill Becomes a Law, or a children's activity book.

Thank you for the opportunity to serve.

In service,
