

*Dear Neighbors,*

Best wishes to all of our neighbors who are heading to school this fall. The beginning of a school year brings a wonderful mix of challenges and opportunities and with so many of our children, friends, and family getting ready to learn or teach, here's to a fantastic new year!

Please contact my office if your classroom is interested in resources such as, activity books, pamphlets on the legislative process, laminated wall maps, or for me to speak with your class. Most of all, THANK YOU to all of our teachers who work tirelessly to ensure the best education is offered to our children. Thank you for all you do!

In this e-update, I am excited to tell you about a great opportunity for our UW students and a new company, Royal Enfield Motors, that is coming to town. This month the feature business, nonprofit, and neighbor are C-Viche, MKE Teacher SPace, and David Hoffman.

I also have included a brief list of community events. Beginning this month, I am pleased to feature an adoptable pet from MADCC in addition to the Humane Society's featured adoptable pet.

If you have any suggestions for a neighbor, nonprofit, business, or event in our district I could feature next month, please email me at [Rep.Brostoff@legis.wi.gov](mailto:Rep.Brostoff@legis.wi.gov).

I have gotten a chance to learn more about so many of our neighbors through surveys my interns, staff, and I are hand delivering. Thank you all for your input and ideas. If you would like to fill out the survey online, please click [here](#). Next month, the newest edition of the Wisconsin State Blue Book will come out. If you would like a copy, or if you have an old Blue Book and would like an updated one, please reach out and let me know.

Is someone forwarding this newsletter to you? Are you accessing it from my website? If you would like to be added to my e-news list, just send an email to [Rep.Brostoff@legis.wi.gov](mailto:Rep.Brostoff@legis.wi.gov) and I will make sure you are are subscribed.
