

UW-M Partners with Bublr

Students can sign up for a free one-year bike-share pass covering unlimited 60-minute trips. The pass provides access to bikes at all Bublr Bikes stations, not just those on campus.

Students must enter the UW-M student promotion code UWM2015 and also provide credit card information but will not be charged for any trip that is less than 60 minutes. Trips lasting longer than 60 minutes will cost \$3 for each additional 30 minutes.
