

# *Neighbor of the Month:*

## *David Hoffman*

David Hoffman has run marathons in every state and on every continent, tries to read 100 books per year, and constantly involves himself in community projects. He is a strong advocate for health and wellness with focus on older adults and empowering them to age in place.

Now retired, David dedicated his life to working in family service at what is now Aurora Family Service where he was the Executive Director for 28 years. He has served three terms as Commissioner for the Milwaukee County Commission on Aging, and went on to become the founder and chairman of the Commission's Wellness Council. There he has helped establish senior fitness centers and other programs.

Thank you, David, for your enduring commitment to better the lives of our aging neighbors!
