

MADACC Adoptable: Odin

Odin is an American Staffordshire Terrier and Dalmatian mix at MADACC. He is a two year old boy that knows sit and down. He does wonderfully with all dogs and gets along well with cats too! He is an around awesome dog. He would do great with kids too. He likes about a 20 minute a day walk, but he does not need too much more exercise than that.

To learn more about Odin email adopt@madacc.org or click [here](#).
