

Nonprofit of the Month:

Pathfinders

Pathfinders works tirelessly to help children and adults aged 25 and under who find themselves homeless and alone. They use the "housing first" model so that those in need have a stable and safe place to live while finishing school, reconnecting with family, participating in employment services, and more.

Established in 1970, Pathfinders has helped hundreds of vulnerable, youth in crisis navigate life choices for a positive outcome. It offers a variety of counseling and advocacy services to ensure that when consumers leave the program, they have the tools they need to be successful.
