

Neighbor of the Month:

Susan Davey

Susan Davey has been charming our community since 1992 as Rainbow Randa the Clown. She participated in the Great Circus Parade for ten years, until it ended, and hopes to one day see it in her community again.

Susan is active in politics and takes great pride in her work organizing crime watches and helping older adults as well as volunteering with programs to feed the homeless. She loves children, storytelling, and teaching Sunday school. She can often be seen as Randa at Chill on the Hill, Bay View Bash, and other community events.

Susan has brought smiles to so many people across Milwaukee. If you are out in the community and see Rainbow Randa, thank her for her outstanding service and the joy she brings.

Thank you, Susan, for brightening our community with your efforts!
