

Wisconsin Humane Society – MKE Adoptable: Jerry

Jerry is a 6-year-old plott hound available for adoption at the Wisconsin Humane Society. Jerry was featured in September, but is still looking for his forever home.

Jerry loves hot dogs, stuffed animals, and lounging in his crate after a long walk. He has lived with young children and was wonderful with them, but he would like to meet any potential canine siblings before going home. He is energetic so he needs an active home where he can get plenty of exercise.

Due to a generous donation, Jerry's adoption fee is waived. Meet him today!
