

Neighbor of the Month:

Moni Haas

This young mother of twins has overcome multiple health setbacks to pursue her dreams.

She is wonderfully creative, making her own henna ink and art as well as being a talented musician. This past year, she released her first novel *Lady Azaria*.

Moni and I attended the same high school as well as the University of Wisconsin-Milwaukee. Moni and her young twins currently live in the Bay View Neighborhood.

For more information on *Lady Azaria*, or to purchase your copy, please click [here](#).

Congratulations, Moni, for all of your well-deserved success!
