

Business of the Month: Cream City Swirl

If you're looking for a tasty treat, this is the place to be! Susan Nolan founded Cream City Swirl a few years ago after being inspired by her grandfather.

Featuring frozen yogurt, gelato, a variety of toppings, sweet or savory crepes, smoothies, coffee, and soups, Cream City Swirl has a lot to offer everyone. They are all natural and delicious. I highly recommend swinging by and supporting this Bay View business.
