

Rep. Jonathan Brostoff E-News Update

Dear Neighbors,

A few short months ago, I was honored to become the State Representative for Wisconsin's 19th Assembly District.

In my first e-update I will highlight some of the issues with Walker's proposed budget, detail legislation I am working on, and discuss May as Mental Health Awareness Month.

I will also feature a local business, nonprofit, and neighbor. This month is Cream City Swirl, National Alliance on Mental Illness Wisconsin, and Ian Abston.

I also have a brief list of community events and the Humane Society's featured, adoptable pet.

Please contact me with any legislative concerns you might have or if you would like to request a free Wisconsin Blue Book, State Highway Map, Veterans Resource Guide, a publication of How a Bill Becomes a Law, or a children's activity book.

Thank you for the opportunity to serve.

In service,
