Rodriguez Appointed to Joint Committee on Finance

MADISON – Representative Jessie Rodriguez (R – Oak Creek) released the following statement regarding her appointment to serve as a member of the Joint Committee on Finance for the 2021-2022 legislative session:

“I am incredibly honored that Speaker Robin Vos has placed his trust in me to serve on the Joint Committee on Finance. The primary responsibility of this committee is to review our state’s revenues and appropriations. Its role in the budget-writing process will be of the utmost importance going into the next biennium.

“The pandemic has caused a lot of uncertainty for Wisconsinites and their budgets. Similarly, the pandemic is causing economic uncertainty and presenting new challenges as we head into another legislative budget process. Next year, as we work on a new biennial budget, it will be crucial to look at our revenues and expenditures with a critical eye and make sure we’re putting forth a careful and fiscally responsible budget for Wisconsin.

“I’m ready to get to work on this important task. I’d like to thank Speaker Vos for this appointment. I look forward to the opportunity to work with Co-Chair Mark Born and the many returning and new members of the committee in the new year.”
