Rep. Brandtjen (414) 915-8425

Madison – State Representative Janel Brandtjen (R-Menomonee Falls) released the following statement in response to Speaker Vos delaying the Meagan Wolfe Impeachment resolution introduced by Representatives Allen, Behnke, Bodden, Brandtjen, and Wichgers:

“Today, I express my deep concern regarding the ongoing delay in advancing the Meagan Wolfe impeachment resolution through the proper process and assigning it a number.

According to Assembly Rule 39(4)(c), the Speaker has a timeframe of 10 business days to assign a bill number and committee after the submission of bill or resolution drafts. Regrettably, today marks the 23rd business day since the resolution was submitted.

This delay raises concerns that the process is not being managed in a timely manner or that there may be an intent to delay. The people of Wisconsin expect their elected officials to adhere to the established rules and ensure a fair and efficient legislative process.

The resolution for the impeachment of Meagan Wolfe has garnered substantial support from constituents throughout the state who are concerned about Administrator Wolfe’s actions. I call on the Speaker to promptly assign a number to this resolution, allowing it to proceed per established procedures.”
