

SERVING WISCONSIN'S 22ND ASSEMBLY DISTRICT

JANEL BRANDTJEN

STATE REPRESENTATIVE

Freedom = Right to Work = Wisconsin is Open for Business!

This morning after 24 hours of debate, the Wisconsin State Assembly passed "The Right to Work Bill." SB44 is now on its way to the Governor's desk. I am confident this legislation will benefit workers and job creators alike. I am honored to have voted YES, on this historic legislation. Let's keep Wisconsin moving forward!

When Scott Walker was running for Governor, employers had little to no reason to relocate their businesses to Wisconsin. Furthermore, businesses already in the state were expanding their operations elsewhere. Wisconsin was known for high taxes, high energy costs and high regulation. With Governor Walker's reforms we are clearly headed in the right direction.

"Wisconsin is open for business" has resonated with Wisconsinite's across the state. Last fall the voters not only re-elected Scott Walker, they sent 63 Republican Assemblymen to Madison along with 18 Republican Senators (Duey Stroebel will be number 19). The message is loud and clear. It's working! Wisconsin is open for business, and today the open sign got a little brighter.

God Bless Wisconsin!

Wisconsin will become the 25th Right to Work State!! [See MAP!](#)
