Rep. Brandtjen- (414) 915-8425

Madison- State Representative Janel Brandtjen (R- Menomonee Falls) issued the following statement regarding Governor Evers budget proposal:

“Governor Evers first budget proposal demonstrates the age old adage that it’s easier to critique government than it is to actually govern. The fact of the matter is that governing is making tough choices and setting priorities, anyone can spend recklessly. Margret Thatcher observed that sooner or later you run out of other people’s money, it looks like for Governor Evers that may come more sooner than later.”

Rep. Brandtjen is committed to moving Wisconsin forward through conservative principles and free market job creation. She is dedicated to market based solutions to today’s challenges and promotes educational options for students and parents. She provides strong leadership in Madison while bringing real representation to the taxpayers of the 22nd district.
