Madison – State Representative Janel Brandtjen (R-Menomonee Falls) has issued the following statement regarding Joe Biden's irresponsible statements regarding gun control in the United States:

"As an American, it is very concerning that the democrats continue to politicize these tragedies to pander to their anti-gun donors. As a woman, I believe the only way we can guarantee our safety is to protect our Second Amendment rights. Not only will I fight for *your* right to own a gun, but I encourage *everyone* to learn how to legally and safely exercise their right to bear arms."

Representative Brandtjen is a lifetime member of the NRA, Constitutional Conservative and represents the 22<sup>nd</sup> Assembly District.
