Madison – State Representative Janel Brandtjen released the following statement expressing her frustration with being ignored by leadership during the floor session while repeatedly attempting to introduce the Meagan Wolfe impeachment resolution (AR 18):

“Congratulations to Administrator Wolfe’s PR team (Speaker Vos, Rep. August, and Rep. Petersen) for their amazing performance, guaranteeing Meagan Wolfe secures a lifetime appointment. The bipartisan collaboration between democrat WEC commissioners and republican leadership solidified their commitment to ensuring no consequences for cheating in Wisconsin elections. The blatant disregard of Assembly Rules by not allowing a floor vote on AR18 leaves no chance for accountability or defense against illegal actions.”

During yesterday’s Assembly floor session, the Speaker refused to acknowledge Representative Brandtjen and once again skipped the 12<sup>th</sup> order of business, ensuring no vote on AR 18. Assembly members still have time to make a correction and sign onto the resolution to support fair elections in Wisconsin.
