Andraca Honored as Wisconsin MADD Legislator of the Year

Senator Larson, Rep. Andraca Selected for Commitment to Safer Roadways, Communities

MADISON, Wis. - In response to her “tireless and unwavering efforts in helping to support and advance the mission of Mothers Against Drunk Driving,” MADD has named Rep. Deb Andraca as a 2022 Legislator of the Year.

Representative Andraca (D - Whitefish Bay) released the following statement:

“It is such an honor to be recognized as one of Mothers Against Drunk Driving’s Legislators of the Year. Wisconsin has some of the weakest drunk driving laws in the nation, and as the parent of two teenage drivers, keeping impaired drivers from getting behind the wheel is a top priority. I was proud to introduce legislation to require ignition interlock devices (IIDs) for all first-time alcohol-related operating while intoxicated (OWI) offenders, as well as bipartisan legislation to incorporate Wisconsin into the interstate Driver License Compact. I will continue to fight for stronger OWI laws that will help keep our communities and our roadways safe.”

Mothers Against Drunk Driving was founded in 1980 with the mission to end drunk driving, help fight drugged driving, support the victims of these violent crimes, and prevent underage drinking.
