Thank You Governor Evers for Doing What's Best for Wisconsin

MADISON, Wis. – With Governor Evers' announcement that he will not seek re-election for a third term as Governor, Rep. Deb Andraca (D–Whitefish Bay) released the following statement:

“Flipping my Assembly seat in 2020 was critical to saving Governor Evers’ ability to veto Republican extremism and do what’s best for Wisconsin, and I have been honored to work with the Governor throughout my time in the State Assembly.

“Governor Evers is someone who is in person, just like you see on TV: kind, straightforward, and always happy to spend time with the people of our state, especially with a soft-serve ice cream cone in hand.

“It has been an honor to see first-hand his dedication to our state, willingness to work across the aisle, and his ability to get things done in the face of relentless Republican opposition.

“I thank Governor Evers and First Lady Kathy for their service to Wisconsin and wish them both all the best.”
