Rep. Deb Andraca Named Conservation Champion

Fair maps advocacy earns spot on Conservation Honor Roll

MADISON, Wis. -- For the second consecutive session, Rep. Deb Andraca (D–Whitefish Bay) has earned recognition as a Conservation Champion by Wisconsin Conservation Voters. Rep. Andraca also earned a spot on the Conservation Honor Roll, which recognizes legislators for “the extra effort they put forth to protect our air, water, land, and democracy.” She was cited specifically for her work to support fair maps and end Wisconsin’s unconstitutional gerrymander.

“No matter where we live, every Wisconsinite deserves to breathe clean air, drink clean water and enjoy being outdoors in nature,” said Andraca. “I am grateful to Wisconsin Conservation Voters for this recognition, and I will continue to advocate for policies that protect the health of our environment and our democracy.”

Wisconsin Conservation Voters, an organization that advocates for sound environmental policies, has released its 2023-2024 Conservation Scorecard. A copy of the scorecard is available at <https://conservationvoters.org>.
