Source: U.S. Postal Carrier Routes are from Maponics, Inc. from Quarter 1, 2013. Carrier Routes are accounted for with a 50 meter tolerance to the district border, meaning that any carrier route that crosses the district border and exceeds 50 meters away from that border will be marked as questionable. Attempting to mail past the date on the reports could result in an increase in your postage rate. Please contact LTSB if you are mailing past this date for an updated packet.

Assembly and Senate Districts are based on 2011 Wisconsin Act 43 with *Baldus et. al. vs Brennan et. al.*, unless otherwise noted as the 2002 districts in the title.
